Reading is the first and most
crucial step to literacy.

ABOUT PRATHAM BOOKS

Pratham Books publishes storybooks in
multiple Indian languages to ensure that
children have a choice of books in their
mother tongues to read and enjoy.

Children need early and sustained exposure to engaging, joyful books to build a reading habit and become autonomous learners. We have created a rich range of books with engaging narratives and colourful illustrations that reflect the diversity of our culture to form a meaningful bridge for children as they grow and expand their boundaries.

Be it bilingual books that make learning a second language easier and more fun or STEM books where children can explore concepts related to science, maths and technology in a way that sparks their curiosity and interest, our storybooks are designed to engage, inform and open the minds of children to worlds beyond their own.

Dive in.
