ABOUT PRATHAM BOOKS

Pratham Books publishes storybooks in **multiple Indian languages** to ensure that children have a choice of books in their mother tongues to read and enjoy.

Children need early and sustained exposure to engaging, joyful books to build a reading habit and become autonomous learners. We have created a rich range of books with engaging narratives and colourful illustrations that reflect the diversity of our culture to form a meaningful bridge for children as they grow and expand their boundaries.

Be it bilingual books that make learning a second language easier and more fun or STEM books where children can explore concepts related to science, maths and technology in a way that sparks their curiosity and interest, our storybooks are designed to engage, inform and open the minds of children to worlds beyond their own.

Dive in.

Library in a Classroom

Prompted by the scarcity of infrastructure and resources that most government and affordable private schools face, we designed the Library-in-a-Classroom (LIC) – **a wall-mounted library of storybooks that can be found in classrooms, large and small across India.**

The LIC contains dozens of richly illustrated children's books. With the LIC, the child enjoys invaluable physical proximity to printed books, which in turn encourages her to read and develop emotionally and intellectually.

Benefits of the LIC

- Up to 100+ carefully selected books for ₹ 7,500
- Laminated to ensure durability for at least 3 years
- Books, languages, and reading levels customized to classrooms
- Help teachers in multigrade classrooms
- Encourages shared reading and learning

READY TO GIVE CHILDREN THE LIBRARY ADVANTAGE?

Write to us at orders@prathambooks.org

Global research suggests that merely providing a **library-like atmosphere** can encourage children to spend more time reading.
